How/Why verify KYC ON
[PRESTMIT.COM.](https://www.prestmit.com)

VERIFY, EASY PEASY!

To make it easy for our customers, in this guide, we have explained in detail, the process of KYC VERIFICATION on Prestmit.

WHO NEEDS TO VERIFY KYC?

You only need to verify KYC if you want to 'buy' from Prestmit.

Customers who are willing to sell on Prestmit do not need to verify KYC.

WHY VERIFY KYC?

KYC procedures defined by PRESTMIT involve all the necessary actions to make sure customers are real, assess, and monitor risks.

These processes help prevent schemes that we do not permit.

The virtual bank account provided by Prestmit works like your normal bank account.

So, just like opening a new bank account, BVN and ID are required to complete the process.

HOW LONG?

KYC Verification request takes an average of 120 minutes for it to be approved/rejected.

YOUR INFO?

Rest assured, your KYC information is safe with us.

WHEN?

You can **SUBMIT A REQUEST** at any time, as we operate 24/7.

HOW TO VERIFY

Click the KYC APPLICATION button from your user dashboard. The page comprises 3 components:

1. **PERSONAL DETAILS:** This is where you enter your name and date of birth of birth. Ensure that the details entered matches the details on your ID.
2. **BVN:** Enter your BVN number here. We run an automated BVN validation and your BVN details are not saved on our server.
3. **ID:** Submit any valid ID that shows your details.

AFTER SUBMITTING?

Your application will be pending. Wait for the admin to verify the details provided. It typically takes a few minutes.

That is how to verify KYC on
[Prestmit.com](https://prestmit.com).

WHAT NEXT?

Sit back and wait for an email notification from Prestmit concerning update on the request.

KYC REJECTED?

If your application is rejected, the reason will always be specified and you will get an email notification.
