2. GIFT CARD

This is where you specify further what 'type' of gift card exactly you are selling:

E.G USA iTunes Physical (50-100):

There is a checkbox that says "*Send Directly To My Bank Account*". Tick this box if you want the money sent to your bank account directly once the trade is completed. You will have to select the preferred bank account. If you have not added your bank account, add it from your naira wallet.

If you do not tick it, the money will be added to your Prestmit Naira Wallet, which you can withdraw at any time.
